SUBJECT:

Citation of CIA in French Newspaper

1. With reference to your telecon concerning any citation of CIA in the serialized articles by Thomas Buchanan on the assassination of President Kennedy appearing in the French newspaper l'Express, I have attached the issue of 12 March 1964 for your review. On page 22 there is a column which I have indicated with red pencil; a translation of this column is also attached.

2. Each previous article has been carefully reviewed for any reference to CIA or other Federal agency -- so far, this is the first reference to CIA or other Federal establishment. Needless to say, we will review all future articles in this series in the same manner.
